

# Democracy and the Rule of Law under Extreme Conditions

Friday, 16 July 2021, 11:00 am in H 21 (RW II)

*Responsio: Prof. Dr. Alice Pinheiro Walla*

*Moderation: Prof. Dr. Carsten Bäcker*

The lecture will address two main issues and their interconnections: (1) How democracies should and do operate under extreme conditions (such as security or terror threats, natural disasters and pandemics) and (2) the decline of democracy and the rule of law under such extreme conditions – trends and possible causes.

Due to Corona regulations, registration for the lecture is mandatory.
